

IN THE CIRCUIT COURT OF COOK COUNTY, ILLINOIS
COUNTY DEPARTMENT – LAW DIVISION

MOTIONS SECTION – CALENDAR A

October 13, 2023

Scheduling / Spindling of Motions

Notwithstanding anything to the contrary in the current Standing Order for Calendar A, dated June 29, 2023, all non-routine, non-emergency motions must now be spindled through the online eFile system. If the date selected for presentment is not available, this system will offer the next available date.

A party is no longer permitted to present a motion simply by sending notice to the Court and to all parties of record.

Parties may agree to a briefing schedule prior to initial presentment of a motion if they choose. No order is necessary for any such agreed briefing schedule prior to presentment. If parties prefer, the Court will enter a briefing schedule, if necessary, on the date of initial presentment.
